125 Year Celebrations

Well its here, after 2 years of covid cancellations we finally get to celebrate our 125 years as a club. We would just like to say what an achievement that is and how proud we all are. It would not have been possible without the hard work of past and present players, administrators, supporters, sponsors and the general community. We would love nothing more then to see you come along and celebrate such a special occasion with us.

Date: Saturday the 30th of April we take on our arch rivals T.T.U with a huge amount of club memorabilia on display. Meals will be available in the social rooms after the game and we will open our 25 year time capsule at 6pm. An evening celebration will be held at the Cowwarr Memorial Hall where our Football and Netball teams of the last 125 years will be announced. The bar will be running with canapes and finger food provided. Entry is free for all. Sunday the 1st of May we will be having a family fun day at the Club rooms, with face painting and an obstacle course for the kids. The club will be also running a BBQ and \$3 beers.

Milestones

Club legend Shane Morgan celebrates his 300th game for the mighty saints. Morgo has been an integral part of the senior team for near on 2 decades now. A premierships player, multiple team of the year selections, leading goal kicker, thirds best and fairest for the league, Morgo has achieved it all and we would like to congratulate him on a wonderful achievement.

On the Netball court we celebrate the milestones of Erin Campbell and Tara Whelan, who don the red, white and black for the 100th and 50th times respectively. Well done on a great achievement ladies!
